OUR PROMISE

F.I. Laptops marketing philosophy is based on the “going beyond what was asked for” theme. Its overall aim is to create strong customer affinity that goes beyond retail and price point.

In pursuit of the above, F.I. Laptops promises to provide its customers with an unmatched personalized service through initiatives of building a team of customer conscious service personnel, setting up state-of-the-art and easily accessible offices and developing internal systems and controls for timeous service delivery.

COMPANY POLICIES

In addition to our commitment of excellent services, F.I. Laptops policies contribute significantly to the remarkable growth of the company. It is the company’s policy to provide quality products and services to our valued clients and to ensure that all clients have a high return of investments and cost of ownership.

MARKET & PRODUCT PERSPECTIVE

(a) Suppliers

F.I. Laptops is independent of and has no prohibitive ties with mainline hardware, software, electrical, or stationery suppliers. However our products profile is focused towards the provision of solutions to our target market. These enable F.I. Laptops to provide unbiased advice to its clients, attract and impact skills in all various technologies.

Pricing

F.I. Laptops has adopted a pricing model which passes on cost advantages to its customers and strives to adhere to this strong commitment.

Its deliberately simple cost-plus model educates the customer that the value offered is more consistent and lives up to the company's brand notion of simple value.

Product Delivey

Central to F.I. Laptop's marketing strategy is customer relationship management which strives to deliver products to the customer's specifications of type, quality, equity and time.

Staff Compliment

Organisational Structure

F.I. Laptops has assumed a conservative lean form since inception. This structure promotes quick turnaround and decision making.

Smart Partnerships

We have through our years of business become partners with HP and Dell. This means that products come straight from manufacturer, there is easy support and a guarantee on originality.

These products carry a warranty and tech support so clients are guaranteed premium service.
